

Name _____

Date _____

Longer or Shorter?

Cut a piece of yarn as long as you. That's your yarnie!
Circle the true answer in the statements below.

My yarnie is:

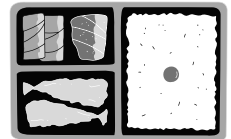

shorter than or **longer than** my teacher

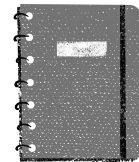

shorter than or **longer than** a mitten

shorter than or **longer than** a lunch tray

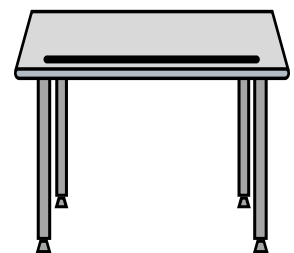

shorter than or **longer than** a notebook

shorter than or **longer than** a baseball bat

shorter than or **longer than** my desk

A yarnie is shorter than some things
and longer than some things.
